Dear Music Centre Member

As we are all aware these are difficult financial times. At Music Centre the last of our public funding is under review and it is likely that the Centre will need to be financially independent.

Membership subscriptions pay for about half our expenses, which include hire of venues, purchase of music and instruments, director's fees and insurance.

The trustees have sufficient reserves to keep running in the medium term. However to secure the long term future we must find new sources of income.

We are appealing to all music centre members to play their part.

Anyone with enthusiasm and/or expertise can email me at dcblackmore@gmail.com and join the new Fundraising and Publicity Committee. Everyone is most welcome - your contribution is vital.

You and your friends and family can also help us by signing up to our "Friend of Devon Youth Music - South" scheme (form overleaf).

£5 a month would pay for one group to hire a rehearsal room for the year
£10 a month would purchase good quality percussion instruments for the children
A one off gift of £30 would purchase a set of music

Please give your support to the trustees and staff who are working hard to keep Music Centre running.
